

EBRAHIEM SLAMANG

PROFILE

I am currently a final year Electrical and Computer engineering student at UCT with a strong foundation in technology and programming such as Python, Java, C/C++ and SQL. I am driven by a passion for electronics, combined with a solid academic foundation matriculating second in my class and a proven track record of leadership and achievements, I am eager to contribute my skills and enthusiasm to the industry, and ready to learn as much as possible.
